WITH A BABE

as to be afflicted with Eczema Woman From Russia Landed Here Penniless.

The source of the trouble is NO FRIENDS MET HER

ing skin disease will disappear. Little Purse Made Up to Help Her Along.

And in This Way Made Her Condition Known.

Homeless and in a strange country, whose language she could not understand and with whose customs she was unfamilliar, Mrs. Katharine Loefler spent last night in the Rock Island depot, without money, except that which a few sympathetic friends had voluntarily given her,

Mrs. Katharine Loefler came to Wichita from Russia on the Rock Island southbound train last evening and expected to be met at the depot by friends, but the friends falled to meet her. After walting in the depot awhile, she went to the possible all our raw material here at ticket window and spoke to the ticket pers. I know radicond men will tell you clerk in German, but he could not underwoman wanted to say something and or own cars fast as the elevator shippers tried to converse with her, with the help do the militards get the cars delivered of the German he had studied in school, to them without expense for loading in either case. Then we put about 60.00 pounds of flour to the car. That's squal for letters which would make known for letters which would make known to how bushels of wheat. And even if a the person whom she was seeking. She car does develop a small hole, there's no was unable to find anything, however, bushage of sucked flour, as there is of that gave the desired information, and the young man who had kindly attempted to help her in her distress was unable

Some one said that Charles Lease was

She told him that her husband, Frederick Loefler, had left Russia a year ago and come to the home of a friend named located to quit, at any rate for a time; to join him, telling her to come to Wichita, where she would meet Phillip Swind and that then she would be able to find her husband without any difficulty. He also sent her transportation from Russia to Wichita.

As soon as she had received her transportation she left the old country, going by way of Hamburg. New York, Chicago, nd Kansas City and arrived in this hast gight, only to find that Phillip Swind was not at the depot to meet her and that she was argurently without any An Indiana corporation claims that it means of finding either her friends or

\$10 Overcoats

Are not the best Overcoats that are sold, but our Overcoats at \$10 are the best values, of better quality, fit, workmanship, and all around goodness, than you can buy for \$10 just "any old day" or at "any old place."

And to think that you will brave this weather without one, when our's are so reasonable, is certainly ridiculous.

Just a little bit better are those Overcoats we're selling for \$12. You couldn't appear to any better advantage in your tailor's make at \$25. Fact of the matter is, our Overcoats at \$12 are equal to it.

Sensible, you who buy now.
